every manager whose name has been registered under the Land Registration Act, 1876, or under this Act on behalf of the proprietor or holder respectively of any estate or tenure;

may apply for the registration of all permanent tenures held immediately under such landlord or manager respectively.

4. In addition to the persons mentioned in the last foregoing section, every holder or manager of a permanent tenure held immediately under a proprietor or tenant-holder registered under the Land Registration Act, 1876, or under this Act respectively, may apply for the registration of such tenure.

5. Every application for the registration of a tenure shall be made to the Court of the Subordinate Judge.

(i)—Reference to any register now existing or hereafter to be made under this or any other Act for the time being in force, in which any deed or document creating, confirming or modifying or otherwise recognizing the tenure, may stand registered.

7. The Court may reject or return for amendment any application which does not state correctly the several particulars hereinbefore required to be specified therein, or if it is not signed and verified as hereinbefore required:

Power to reject applications not verified or not stating correctly the particulars required.

Provided that the rejection of an application for the registration of a permanent tenure shall not of its own force preclude the applicant from presenting a fresh application in respect of the same tenure.

8. The Court shall cause the particulars mentioned in section six to be entered in a book to be kept for the purpose and called the "Register of applications for the registration of permanent tenures."

Such entries shall be numbered in every year according to the order in which the application is admitted.

9. When the application for registration of a tenure is admitted, the Court shall issue an order,

if the party making the application is the landlord, upon the tenure-holder; or if the party making the application is the tenure-holder, upon the landlord,

to file in such Court, on a day to be specified in such order, a return duly verified, which shall contain all the particulars mentioned in section six, and shall have annexed thereto the leases or counterpart leases (if any) relating to the tenure specified in such application.

10. If the party upon whom such order is issued does not file his return within the time specified in such order, the Court may proceed against him as against a recusant witness under the rules contained in that behalf in the Code of Civil Procedure.

11. When the Court shall make an order calling for a return under section nine, it shall at the same time issue a notice requiring all persons who dispute the character of the interest, in respect of which registration is required, or who object to the registration of the names of the persons whose names are required to be registered, to tender

Procedure upon non-compliance with such order.

Notice to objectors.

a written statement of their objections, and to appear on a day to be specified in such notice, not being less than one month from the date of the publication thereof.

12. Such notice shall be published by affixing a copy of the same in some conspicuous part of the Court building, and in the village in or adjacent to which the tenure or any part thereof is situated.

No irregularity or omission in the publication of notice under this section shall affect the validity of any proceedings under this Act, unless it be proved to the satisfaction of the Court that some material injury was caused by such irregularity or omission.

13. The Court, on receiving the return mentioned in section nine and the written statement tendered under section eleven, shall appoint a day for hearing in the presence of all the parties concerned, or of their respective agents or vakils.

14. Upon the day appointed for the hearing, if the Court shall find that no material difference exists between such parties with respect to the following particulars, that is to say—

the permanent character of the tenure,  
the right of the landlord to receive the rent of the tenure from the tenure-holder,  
the amount of rent payable for the tenure,  
the instalments in which such rent is payable,  
and that such tenure in other respects is admissible for registration under the provisions of this Act,

it shall pass an order to the effect that such tenure and any lease or counterpart lease filed by the parties, and falling within the description of leases specified in section twenty-three of this Act, shall be admitted for registration.

15. If after reading the application and return and the written statements (if any) tendered under section eleven, and if after hearing the parties themselves or their respective agents or vakils, the Court is unable to decide summarily all or any of the particulars specified in the last foregoing section, or whether the tenure is admissible for registration, it shall frame issues material to such decision upon the allegations made in such application, return and written statements respectively; and after such examination of the parties as may appear necessary, and on a day to be hereafter appointed, shall try and determine such issues in accordance with the procedure laid down for the trial of declaratory suits in the Code of Civil Procedure.

16. The order made by the Court under the last foregoing section shall, if the amount of annual rent payable in respect of the tenure does not exceed a sum of one hundred rupees, be final; but if the amount of such annual rent does exceed the sum of one hundred rupees, an appeal, to be presented within one month of the date of the order appealed against, shall lie to the Court of the District Judge, and the order passed by such Court upon hearing such appeal shall be final.

17. Whenever the Court shall pass an order admitting a tenure for registration under section fourteen or section fifteen, or so soon as such order (if appealable) shall have been confirmed on appeal, or so soon as the period for presenting an appeal against such order shall have expired without the presentation of an appeal, the Court making such order shall transmit to the Collector the following documents, that is to say:—

- (a) A copy of such order.
- (b) The application for registration.
- (c) The return.
- (d) The lease or counterpart lease (if any) admitted for registration under such order.

And the Collector to whom such documents are transmitted shall register the tenure in the manner provided in Chapter II of this Act.

18. Every person who holds a mortgage of any tenure-holder's right in any permanent tenure may apply to the Court of the Subordinate Judge for an order authorizing the registration of his name as such mortgagee, and in such application shall specify whether he or the mortgagor is in possession. On receipt of such application the Court shall follow as far as possible the procedure hereinbefore prescribed in respect of applications for the registration of tenures. And in the event of the Court passing an order authorising the registration of the name of the applicant as the mortgagee of the tenure or any part thereof, it shall transmit to the Collector of the district a copy of such order.

#### CHAPTER II.

19. The provisions of this Chapter shall apply to the registration of all permanent tenures, whether such registration be effected under Chapter I or Chapter III of this Act.

20. The Collector of every district shall prepare and keep the following registers:—

A general register for each pergunnah of permanent tenures situated therein.

An intermediate register for such pergunnah of changes affecting entries in the general register.

A register for each pergunnah of leases creating permanent tenures or qualifying the terms thereof.

A register for each pergunnah of counterpart leases creating permanent tenures or qualifying the terms thereof.

21. In the general register of permanent tenures the following particulars shall be entered:—

- (a) Name of pergunnah.
- (b) Serial number of tenure.
- (c) Name and place of residence of landlord.
- (d) Name and place of residence of tenure-holder.
- (e) Name by which tenure is known in the landlord's papers.
- (f) The amount of annual rent.
- (g) The instalments in which the rent is payable.
- (h) Name of village and thana in which the tenure is situated.
- (i) Reference to the register of leases and counterpart leases.

(f) Reference to entries made in the intermediate register after the preparation of the general register.

22. Intermediate registers shall be kept for the purpose of recording therein from time to time changes affecting the entries which stand on the general register, so that by a reference to them in connection with such register, correct information up to date on the points recorded may be obtained at any time; also for the purpose of keeping together as far as possible in a convenient form the information which will eventually be required for re-writing the general register.

23. In the register of leases and counterpart leases the following leases and counterpart leases, relating to tenures registered under this Act, shall be entered, and such entries shall be authenticated by the seal and signature of the Collector of the district:—

Leases and counterpart leases which have been registered under any law for the time being for the registration of documents.

Leases produced by the tenure-holder which shall be admitted by the landlord or correspond to the counterpart lease produced by him and counterpart leases produced under similar conditions.

And no others.

Such registers shall be public records kept in British India of private documents within the meaning attached to these words by section 74, clause 2, of the Indian Evidence Act, 1872.

24. The Board may order new registers to be prepared whenever it may think fit, and such registers shall be prepared from the register existing at the time of such order and from the entries of subsequent changes in the intermediate registers; and such additions to, omissions from, and alterations in the entries as appeared in the previous registers, shall be made as subsequent changes have rendered necessary, and the authority for every change shall be expressly referred to.

25. Whenever it shall become necessary to make any change in the names of the recorded tenure-holder or manager of any tenure, or in the character or extent of the interest of any such tenure-holder or manager, as entered in any register mentioned in this Act, on account of the death of such tenure-holder or manager, or the transfer of the tenure by private agreement, or under an order made by competent authority, the Collector shall issue a notice requiring the landlord of the tenure, if he object to the change which would otherwise be made in the entry of such register on account of such death or transfer, to tender a written statement of his objections on a day to be specified in such notice, not being less than one month from the date of the service thereof.

26. The notice shall specify the character and extent of the change to be made in the entry of the register, and shall be served upon the landlord in

the manner prescribed in section forty-nine of this Act:

Provided always that the landlord shall not be entitled to receive such notice in respect of a permanent tenure transferred by summary sale under the provisions of the Bengal Tenancy Act, or in execution of a decree made in a suit for recovery of arrears of rent due in respect of such tenure.

27. The Collector on receiving the written statement mentioned in section twenty-five shall, if the tenure in respect of which such written statement is tendered be a tenure registered under an order of Court, transmit to such Court a copy of such written statement; or if such tenure be situate within a local area, shall transmit such written statement to the Court of the Subordinate Judge of the district in which such tenure is situated.

28. Whenever the Collector shall transmit such written statement to the Court, he shall at the same time transmit to the said Court

the copy of the entry recording the registration of the tenure;

a statement showing the character and extent of the change intended to be made in such entry.

29. On receipt of such written statement and documents the Court shall proceed to enquire into and determine the matter, and for that purpose shall follow, as far as may be applicable, the procedure prescribed in Chapter I of this Act.

Every order passed under this section shall be final.

30. Whenever the Court shall pass an order under the last foregoing section it shall transmit the same to the Collector, and the Collector to whom such order is transmitted shall make the necessary change in the entry of the register in strict accordance with the terms of such order.

31. To enable the Collector more effectually to maintain his registers—

(a) Whenever any competent authority may direct that any tenure be transferred from the general register of one district to that of another, the Collector of the district from the general register of which the tenure is to be transferred shall transmit to the Collector of the district, to the general register of which the transfer is to be made, a copy of all entries in any of the registers relating to the tenure to be so transferred, and entries taken from such copy shall be made in the proper registers of the district to which the transfer is made.

(b) Whenever the Collector of any district shall make an entry or any alteration of any entry in his registers, which will affect any entry required to be made under this Act in any register of another district, such Collector shall transmit to the Collector of such other district a copy of such entry as made or as altered, and the Collector to whom such copy is transmitted shall cause the necessary entries or alterations of entries to be made in the registers of his district.

32. Within four months of the date on which this Act comes into force, the Board shall make general rules consistent with this Act to regulate—  
Board to make rules as to form of registers, the procedure as to presentation, &c., of applications for registration.  
 the form in which registers under this Act are to be kept, the procedure as to the presentation, admission and verification of the applications for registration under Chapter III of this Act, and as to enquiries under section fifty-one, and generally for the purposes of this Act.  
 The Board may from time to time cancel or alter such rules.

33. Whenever any Civil Court makes a decree confirming any transfer of proprietary possession which has already been made in any permanent tenure registered under this Act, or gives effect to any decree transferring any such possession, such Court may order the transfer to be registered in the register of the Collector, and the Collector shall subject to the provisions of sections twenty-five to thirty (both inclusive), register such transfer accordingly.  
Transfer of proprietary possession to be registered on order of Civil Court.

34. The Collector shall supply an extract from any register mentioned in this Act to any person who may apply for the same, subject to the payment of such fees for searching and copying as may be prescribed by the Board.  
Collector to furnish extract from register.

35. Nothing contained in this Act, and nothing done in accordance with this Act, shall be deemed to

(a) preclude any person from bringing a regular suit for possession of, or for a declaration of right to, any immoveable property to which he may deem himself entitled,

(b) render the entry of any land in the registers under this Act as a tenure an admission on the part of the Government of the right of the person in whose name such tenure may be entered, or an admission of the validity of the title under which the said tenure is held,

(c) affect the rights of the Government or of any person in respect of any immoveable property or of any interest except as otherwise expressly provided therein.

(d) apply to any of the tenures referred to in the Chota Nagpore Tenures Act, (B.C.) 1869, or shall affect any register prepared under that Act.

#### CHAPTER III.

36. No provisions contained in this Chapter shall apply within the limits of any local area unless and until it has been expressly extended thereto by the Local Government under the provisions of section one of this Act.  
Provisions of this Chapter only to apply to local areas to which they may be specially extended.

37. Every tenure-holder in possession of a permanent tenure situated within a local area, every person being manager of such tenure on behalf of a tenure-holder,

shall, if his name and character of his interest have not already been registered, within such time as the Local Government may fix under the next succeeding section, make application in the manner hereinafter provided for the registration of his name and the character of his interest as such tenure-holder or manager to the Collector of the

district in which such tenure is situated, or to any other officer who may have been empowered by the Collector to receive such application.

38. The Local Government shall, within six months from the date of the notification fix, for each local area the date before which such tenure-holders and managers being in possession of permanent tenures situate therein at the date of such notification, shall be required to apply for registration of their names and the character of their interest under the last-foregoing section, and may at any time alter any date so fixed:

Provided that no date so fixed shall be later than after the date of the said notification.

39. No tenure-holder or manager shall incur any disability under this Chapter for failure to apply for registration of his tenure until after the lapse of months from the date on which the notice prescribed in the next succeeding section shall have been published in respect of such tenure.  
Time for making application under preceding section.

40. Every date fixed by the Local Government as provided in the two last foregoing sections shall be published by a notice in the *Calcutta Gazette*, and shall also be published by affixing a copy thereof in some conspicuous place in the office of the Collector, in every civil court, in every police-station, and in the office of every sub-divisional officer within the local area, and in any other manner which the Local Government may from time to time direct.

41. The officer in charge of every office, court, and police-station at which a notice is required to be published under this section shall certify to the Collector of the district in which such office, court, and police-station is situate, the date on which the notice was so published at his office, court, or police-station; and the latest date so certified shall be deemed to be the date of publication of the notice for the purposes of the two last foregoing sections.  
Certificate of publication of notice.

42. Every person succeeding after the date of the notification to any permanent tenure, whether by purchase, inheritance, gift or otherwise, and every person assuming charge after such date of any tenure as manager,

shall within six months from the date of such succession or assumption of charge, make application in the manner hereinafter provided to the Collector of the district on the general register of which such tenure is borne, or to any other officer who may have been empowered by such Collector to receive such application, for registration of his name and of the character of his interest as such tenure-holder or manager.

43. Every person who holds a mortgage of any permanent tenure may apply to the Collector for registration of his name as such mortgagee and of the interest in respect of which he is such mortgagee, and in such application shall specify whether he or the mortgagor is in possession. On receipt of such application the Collector shall proceed as far as possible according to the manner hereinafter prescribed in respect of application for registration as tenure-holder.  
Time for application for registration by person acquiring proprietary right or becoming manager after publication of notice.  
Mortgagee may apply for registration.

44. Any application for registration under this Chapter may be presented by the applicant or by some person duly authorized by him in that behalf.

45. If the applicant for registration under this Chapter is a joint tenure-holder or a manager, he shall in his application specify the names of his co-sharers or on behalf of whom he is manager, and the character and interest of every such person.

46. If the application be for the registration of the name of the applicant as manager appointed by the Collector, the Court of Wards, or by any Criminal or Civil Court, the Collector shall register the name of the applicant, on proof being produced to his satisfaction that the applicant has been so appointed to be such manager.

47. If the application be for registration otherwise than as manager appointed as mentioned in the last foregoing section, and if it sets forth circumstances which would justify the Collector in registering the name of the person whose name is required to be registered, or if after further enquiry the Collector considers that such circumstances exist, he shall issue a notice requiring all persons who object to the registration of the name of the person whose name is required to be registered, or who dispute the character or extent of the interest in respect of which it is required to be registered, to tender a written statement of their objections, and to appear on a day to be specified in such notice, not being less than one month from the date of the publication thereof.

48. Such notice shall be published by affixing a copy of the same on or at all the following places:—

the office of the Collector,  
the village in or adjacent to which the tenure or any part thereof is situated.

49. If the application alleges that the applicant has acquired possession of the interest in respect of the interest of which he applies to be registered by transfer from any living person, a copy of such notice shall be served on the alleged transferor by tendering to the person to whom it may be directed a copy thereof attested by the Collector, or by delivering such copy at the usual place of abode of such person or to some adult male member of his family, or, in case it cannot be so served, by posting such copy on such conspicuous part of the usual or last known place of abode of such person.

If in case such notice cannot be served in any of the ways hereinbefore mentioned, it shall be served in such way as the Collector issuing such notice may direct.

No fees or other costs shall be payable by the applicant in respect of the service or publication of the notice prescribed by this and the last foregoing sections.

50. No irregularity or omission in the publication or service of notice as required by the last three foregoing sections shall affect the validity of any proceed-

ings under this Act, unless it is proved to the satisfaction of the Collector that some material injury was caused by such irregularity or omission.

51. On the day fixed in the notice issued under section forty-seven, or as soon thereafter as possible, the Collector shall consider any objection which may be advanced, and make such further enquiries as may appear necessary to ascertain the truth of the alleged possession of, succession to, or transfer of the tenure in respect of which registration is applied for; and if it appears to the Collector that the possession exists,

or that the succession or transfer has taken place, and that the applicant has acquired possession in accordance with such succession or transfer,

but not otherwise, the Collector shall order the name of the applicant to be registered in the proper registers as a tenure-holder or manager of the said tenure.

Provided that any person to whom any permanent tenure has been mortgaged may be registered as mortgagee whether he be in actual possession or otherwise.

52. For the purpose of the enquiry mentioned in the last foregoing section, and of every inquiry held under this Chapter, the Collector may summon and enforce the attendance of witnesses and compel them to give evidence, and compel the production of documents by the same means, and as far as possible in the same manner as is provided in the case of a Civil Court by the Code of Civil Procedure.

53. All costs of any enquiry or proceeding held before the Collector under this Chapter shall, except as provided in section forty-nine, be payable by the parties concerned, and the Collector may pass such orders as he shall think fit in respect of the payment of such costs.

54. If the applicant's possession of, succession to, or acquisition by transfer of, the extent of interest in respect of which he has applied to be registered, is disputed by or on behalf of any person making a conflicting claim in respect thereof, and if it is not proved to the satisfaction of the Collector that any person is in possession of the interest in dispute, the Collector shall determine summarily the right to possession of the same, and shall deliver possession accordingly, and shall make the necessary entry in the registers; or if, in the opinion of the Collector, the dispute be one which can more properly be determined by a Civil Court, the Collector shall refer the matter in dispute to the Court of the Subordinate Judge for determination as hereinbefore provided.

Provided that if the applicant's possession of any extent of interest in accordance with his application be not disputed, or if such possession be proved to the satisfaction of the Collector, the Collector may register the said applicant's name in respect of such extent of interest, and may at the same time make a reference as hereinafter provided to the Court of the Subordinate Judge for determination of any dispute as to any further extent of interest in respect of which the applicant has applied to be registered but in

respect of which the right of the applicant to be registered is disputed, and is not proved to the satisfaction of the Collector.

55. In making a reference to the Court of the Subordinate Judge under the last foregoing section, the Collector shall state for the information of the said court, in writing under his hand—

the name of the tenure,  
the name of the applicant for registry,  
the character and extent of the interest in dispute,

the circumstances of the case as far as they are before the Collector, and the reasons which may have led him to make the reference.

56. On receipt of such reference the Court shall proceed to enquire into and determine the matter, and for that purpose shall follow as far as may be applicable the procedure prescribed in Chapter I of this Act.

The provisions of section sixteen shall be applicable to any order passed under this section.

57. From and after the expiry of the time allowed for the registration of tenures under section thirty-eight, every holder or manager of a permanent tenure in an area in respect of which such notice has been published shall be precluded from suing for or recovering rent for any holding or under-tenure situate in any such tenure in respect of which no application for registration has been made.

The Collector may send a list to the Civil Courts of all such holders so making default in applying for registration as aforesaid, and such court shall take judicial notice of the same.

Whenever the required application for registration has been made, or whenever the registration of the tenure has been completed, the disability imposed on the holder thereof by this section shall cease; and if such tenure shall have been included in any list as aforesaid, the Collector shall forthwith give notice to the Civil Court of the cessation of such disability.

58. The Collector may by a notice require the holder or manager of any permanent tenure to name such tenure by a distinctive name, and in case of failure of such holder or manager to comply with the requisition within the time fixed by the Collector, may name such tenure.

59. The Collector may, by a special or general order, delegate to any Assistant Collector, Deputy Collector, or Sub-Deputy Collector, the performance of any duty and the exercise of any

function which the Collector is required or empowered to perform or exercise under this Chapter, except in respect of appeals. And any Assistant, Deputy or Sub-Deputy Collector to whom any duty or function is so delegated may exercise all the powers of a Collector under this Chapter, except in respect of appeals.

60. Every order passed under this Chapter by any revenue officer below the rank of the Collector of the District (not being an officer specially vested with appellate powers as herein-after mentioned) shall be appealable to the Collector of the district, or to any officer who may be specially vested by the Local Government with special appellate powers in this behalf,

and there shall be no further appeal from any order so passed on, appeal confirming the order appealed against,

but an appeal shall lie to the Commissioner of the Division against every order so passed in appeal which modifies or reverses the order appealed against.

Every order passed by the Collector of the District or by any officer specially vested with appellate powers as aforesaid, being passed otherwise than on appeal from the order of another officer, shall be appealable to the Commissioner of the Division.

Every appeal to the Collector shall be presented within fifteen days of the order appealed against.

And every appeal presented after the lapse of time fixed by this section may be summarily rejected unless sufficient cause shall be shown to the satisfaction of the appellate authority, for admitting the appeal after the lapse of such time.

Every order passed by any officer subordinate to a Commissioner shall be subject at any time to revision and modification by such Commissioner.

And every order passed by any such officer or by such Commissioner shall be subject at any time to revision and modification by the Board.

61. In computing the period of limitation prescribed for an appeal, the day on which the order complained of was made, and the time requisite for obtaining a copy of the same, shall be excluded.

62. The Lieutenant-Governor may from time to time vest any officer other than a Collector of the district with special appellate powers under this Chapter, and every officer so vested shall be competent to hear and decide any appeal which the Collector of the District is competent to hear and decide under this Chapter.

#### STATEMENT OF OBJECTS AND REASONS.

THE present law for the registration of transfers of tenures is contained, as regards *patni talooks*, in section 5 of Regulation VIII of 1819, and, as regards other permanent transferable tenures, in section 26 of Act VIII (B.C.) of 1869, and section 27 of Act X of 1859, in those parts of the Lower Provinces in which the last-mentioned Act is still in force. In all these cases, the registration contemplated is a registration in the *serishtah* of the zemindar or superior tenant, to whom the rent of the *talook* or tenure is payable. In the case of *patni talooks*, a fee is payable to the proprietor on the occasion of a transfer,

and registration is enforced by the power given to the proprietor to attach the tenure until the transfer has been registered. In the case of other permanent tenures, the law merely requires the zemindar or superior tenant to admit to registry and otherwise give effect to all such transfers, when made in good faith. There is no special penalty for failure to register or for refusal to admit to registry, but the landlord is not required to recognize an unregistered tenant, and a tenant, whose application for registry has been refused, may sue in the Civil Court (or where Act X of 1859 is in force, before the Collector) to compel the zemindar or superior tenant to register the transfer.

These provisions evidently assume that every zemindar or other superior tenant maintains in his *serishtah* a register of all permanent tenures of which the rent is payable to him. But the law contains no provisions for any public and official register of tenures, such as was prescribed for estates by Regulation VIII of 1800, and subsequently by the Land Registration Act VII (B.C.) of 1876. It is considered that the preparation of such an official register would be a great benefit to the country. It would set at rest disputes concerning the character of tenures, the conditions under which they are held, and the rents payable on account of them; and it would facilitate the realization of arrears by enabling the Government to extend the summary sale procedure of Regulation VIII of 1819 to all permanent tenures recorded in the register. With these objects the present Bill has been prepared.

The Bill provides that applications for registry shall be made to the Subordinate Judge, and may be made by either the zemindar or the tenure-holder. After due notice to all parties concerned, and such enquiry as may be necessary, the Subordinate Judge will pass an order, admitting or rejecting the application for registry. If he admits the application, he will send the necessary particulars to the Collector, in whose office the register of permanent tenures will be kept up.

The procedure for the maintenance of the register by the mutation of names in cases of transfer and succession will be embodied in the Bengal Tenancy Bill now under consideration in the Council of the Governor-General.

It will be optional with the parties to apply or not for registration of their tenures in the manner above described, as they may think fit. It is thought expedient to introduce the measure in this form at first, and to watch its working before further steps are taken. But it is desirable that all tenures liable to registration should be registered, and it is clear that this object cannot be secured without making registration compulsory. The Bill accordingly gives power to the Government from time to time to declare that, in any local area, all permanent tenures shall be registered within a specified time, in the same manner as the Land Registration Act of 1876 empowered the Government to fix dates for the registration of the names and interests of all proprietors of estates. Where this Chapter of the Bill is in force, the general procedure of Part IV of the Land Registration Act will be followed.

The Bill is not intended to apply to the tenures referred to in Act II (B.C.) of 1869, or to affect any register prepared under that Act.
